The mission of **ballet tech cincinnati** is to educate, entertain and inspire by providing diverse and innovative performances that have a phenomenal community impact. Founded in 1997, **ballet tech cincinnati** is a non-profit 501 (C) (3) organization that offers community dance classes and presents community performances in its Kennedy Heights World Headquarters. **ballet tech cincinnati** opened its seventh Season Series of major dance programs as a resident company at the Aronoff Center and presents about a dozen community performances each year to provide Greater Cincinnati with a new venue for high quality dance performances featuring pre-professional and professional dancers featuring classical and contemporary repertoire, folk dances and a wide variety of artists, dance styles and music. Last season, we served over 12,000 audience members. We have the most diverse audience of any Cincinnati area presenter, and we are the only company that presents guest companies, an international Gala, and preprofessional dancers as part of our season series.

For the last several years, **ballet tech cincinnati** has partnered with the Bonneville International-Cincinnati stations in public service announcements, ticket giveaway contests, and consistent coverage of our community events on the Public Affairs Show, *Sunday Morning Magazine*.

ballet tech cincinnati has relied upon WKRC, WUBE, WYGY and WSWD to help us advance our mission. Over the years, **ballet tech cincinnati** has been invited to appear on the station's Public Affairs Show, *Sunday Morning Magazine* to discuss the power of the arts and to promote various company productions. In addition, the station regularly airs Public Service Announcements concerning issues of importance to our community.

In conclusion, Bonneville International-Cincinnati (WKRC, WUBE, WYGY, WSWD) has been effective in serving my organization's needs as well as those of the community at-large. We see no need for additional rules or reporting requirements that insert federal oversight of the process of broadcasters serving the community.

Respectfully submitted,

Marvel Gentry Davis
Producing Artistic Director and President, Board of Directors
